Dear Friend,

On behalf of our Host Committee, I am honored to serve as General Chairman of the 2022 Pro Kids Golf Invitational to be held on November 1st at Maderas Golf Club.

After a great experience and impactful evening at Maderas last year, we are eager to return and build on the support that has helped the organization and kids thrive. Together, with supporters like you, we have been able to raise record amounts for Pro Kids, First Tee - San Diego to support the many important initiatives year after year.

We look forward to hosting this and very much appreciate your tax deductible support. You can pledge your support by contacting Committee Member, David Koravos, at 858-271-7777 or [dkoravos@san.rr.com](mailto:dkoravos@san.rr.com). For all other event inquiries, please contact Michael Oliveri at [moliveri@prokidsonline.org](mailto:moliveri@prokidsonline.org).

Sincerely,

Tony  
Thornley

## **WHAT WE DO**

Through a unique set of programs that combine sport, study and service, Pro Kids, First Tee - San Diego provides children 7 to 17 years old with equitable access to opportunities that will set them on the path to success in adulthood.

## **WHO WE SERVE**

Childhood poverty is closely linked to negative health, education and economic outcomes later in life. That's why Pro Kids offers its programs at little to no cost to families in need and/or whose parents are active military or veterans. What's more, Pro Kids' flagship site is located in City Heights, one of San Diego's poorest and most diverse neighborhoods. In 2013 Pro Kids opened a second facility in the City of Oceanside to reach North San Diego County youth struggling with similar socio-economic challenges, as well as the military families near Camp Pendleton.
