HONORING THE CENTURY CLUB OF SAN DIEGO

FERREIRA

**CONGRATS TO THE CENTURY CLUB OF SAN DIEGO
FOR THEIR CONTINUOUS DEDICATION TO SHAPING
YOUNG PEOPLE'S LIVES WITH PRO KIDS, FIRST TEE!**

Ferreira is a first-rate company built on a foundation of integrity. We have experience and expertise in all facets of transportation infrastructure, utility/power, marine construction and construction management. We are a nationally recognized leader in the construction industry due to our proven track record of successful project execution, effective planning and emphasis on safety.

Additionally, Ferreira promotes a culture of safety focused on actively caring for our people and stand on belief that every employee is responsible for safety. Ferreira is focused on making continuous improvements to our safety program, predicated on meaningful employee engagement throughout all levels of the company. Our goal is to meet our daily work objectives without incident.

- Live Auction
- Alumni Reflection, Christiana Keibally
- Raise the Paddle
- Closing Remarks, Karla Gomez & Lucy Labruzzo

Don't miss out on our amazing silent and live auction items!

Scan the QR code to start bidding. If you have any questions, just ask one of our staff members—we're happy to help!

Welcome to Celebrates

On behalf of our Board of Directors, Event Committee, and the entire Pro Kids family, thank you for joining us tonight for an extraordinary evening.

Tonight is, above all else, for our members. Every day at Pro Kids, First Tee – San Diego, our youth build resilience, confidence, and character through our golf, academic, and life-skills programs. This event is a celebration of their hard work, growth, and bright futures.

We are also proud to extend a special note of gratitude to the Century Club of San Diego. For over 32 years, their unwavering dedication, guidance, and partnership have helped shape Pro Kids into the refuge and launchpad it is today. We are profoundly grateful for their champion spirit and decades-long investment in our youth.

We truly could not have pulled this night off without you: our amazing guests, supporters, and community. To our generous sponsors, our enthusiastic attendees, and everyone who donated incredible auction items: your impact is felt in every corner of this room and throughout every program we run.

Thank you for standing alongside our members and helping them reach their full potential. Enjoy the evening!

With gratitude,

Kristin Cuthbertson

2026 Honoree

THE CENTURY CLUB

We are absolutely thrilled to be honoring The Century Club of San Diego for their incredible support and partnership at this year's 2026 Celebrates Gala!

The Century Club's roots with Pro Kids run deep. For over 30 years, they have been a vital pillar of our community. Early visionary leaders like Phil Ward and Tom Wilson helped establish this powerful foundation—bringing Pro Kids founder Ernie Wright's vision to life through longstanding mentorship traditions like the Tony Scholl Cup and unforgettable experiences at Colina Park.

Today, that incredible legacy is as vibrant as ever. Under the leadership of CEO Marty Gorsich, Jennifer Cota, and the entire Century Club staff and membership, a new generation of leaders is carrying the torch forward. From front-row inspiration at Family Day during San Diego's premier PGA TOUR event, now The Sentry, to an annual day of service, today's Century Club team remains deeply invested in giving our kids real-world opportunities and the confidence to succeed on and off the course.

We truly couldn't be more proud to honor a partner and supporter who embodies the heart of our mission. **Thank you** to The Century Club for your long-time dedicated work supporting our mission and our members.

The Century Club is a nonprofit that supports other nonprofits, generously helping community partners through giving time, funding, and sharing members' skills and expertise. Most notably, they have been the operational team behind **The Sentry**, previously the Farmers Insurance Open, at Torrey Pines since 1961, gathering meaningful support to local youth and community initiatives, including Pro Kids, First Tee – San Diego.

Tony Scholl Cup
2013 and 2014

The **Tony Scholl Cup** is a treasured tradition hosted by The Century Club at Pro Kids' City Heights location, Colina Park Golf Course. The tournament brings together Pro Kids members and Century Club members, creating an opportunity to build meaningful relationships with Century Club members who are deeply invested in the success of Pro Kids youth.

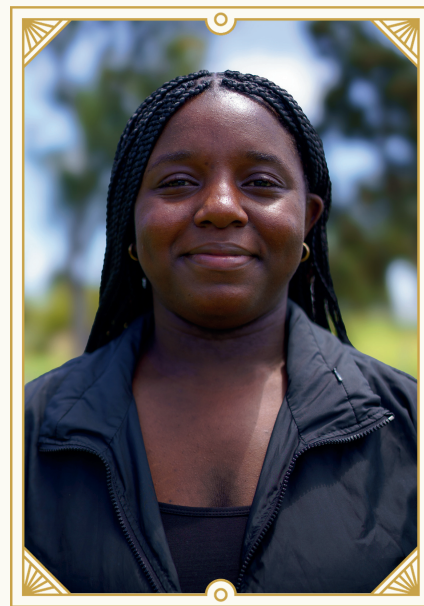

Christiana Keibally

Alumni Speaker

Christiana has been a proud part of Pro Kids since she became a member in 2012, when she was just seven years old. Since then, she has completed over 600 hours of community service, grown into a leader, and continues to give back to Pro Kids long after graduating from the program—a testament to the lifelong impact our community has on the young people it serves.

Pro Kids gave Christiana her very first job opportunities, working at Summer Camps and in the Pro Shop, where she developed a sense of leadership, responsibility, and a strong work ethic. She thanks Pro Kids for giving her a start with these experiences.

Christiana also credits Pro Kids scholarship support for being able to pursue higher education and truly experience college life outside of San Diego—an opportunity that expanded her horizons and helped shape her future. Christiana continues to both work and volunteer at our City Heights location, truly dedicated to giving back to the organization that has poured so much into her, and continues to do so.

Christiana is now a scholar, in her last year of undergraduate studies at Cal State University Los Angeles. Her story is a powerful example of what happens when young people are surrounded by encouragement, opportunity, and caring mentors. Pro Kids doesn't just support children while they're in the program—it helps shape compassionate, driven leaders who continue serving others long after they graduate. Looking ahead, Christiana hopes to build a successful career in engineering technology and to one day give back financially so future members can experience the same opportunities that changed her life.

A huge thank you to

Ken Bien

Former Board President, Pro Kids, First Tee – San Diego

For ten years, Ken Bien served as our Board President, and as an organization, we are so incredibly proud of his leadership.

Ken, we are deeply grateful for all the time and energy you've dedicated to Pro Kids over the years. Taking time out of your days, constantly showing up for our members, and giving so much of yourself to our mission has meant the world to our kids and our entire community.

Thank you for your incredible commitment and ongoing support. You are a true core part of the Pro Kids family.

Congratulations...

Congratulations to the Century Club and all its members, current and past, who have forged a close partnership with Pro Kids for many years.

The Century Club is the engine behind the Torrey Pines PGA Tour event in all its flavors, from the Andy Williams to now, the Sentry. In driving that annual event, they raise large sums for charity, and Pro Kids has benefited from their hard work and generosity.

Thank you to everyone at The Century Club who makes opportunities a reality for Pro Kids members!

– Tony & Gillian
Thornley

Thank you to The Century Club of San Diego on their second acknowledgement of their continued financial support of Pro Kids, First Tee – San Diego. Over three decades of men and women sponsoring a world-class PGA golf tournament and continuing to fund San Diego youth through Pro Kids, First Tee – San Diego. Cheers for a well-deserved honor and an exciting evening!

Tony Scholl Cup Winners 2009

Tony Scholl Cup Winners 2025

Phil Ward
Chairman of The Century Club, 1993

Thank You

Because of the incredible generosity of Mr. Fenton's family and friends, Pro Kids brought nine members to Monterey in 2026. Our youth played some of the nation's most esteemed golf courses and took in the beauty of Northern California's coast, all while making core memories and building lasting relationships.

For many years, Mr. Fenton's legacy has been woven into Pro Kids through his support as a host sponsor at Cypress Point. This ongoing tradition provides a extraordinary opportunity for our kids, one they look forward to year after year.

We extend our deepest gratitude to the Fenton family and friends for honoring his memory, celebrating his life, and ensuring his impact on Pro Kids endures for generations to come.

Mr. Fenton and Pro Kids at Cypress Point

2013

Golf for the Greater Good

Since 1961 the Century Club of San Diego has operated San Diego's PGA TOUR event, now The Sentry, to showcase our city to an international audience, generate revenue for the local economy, and make a difference in our community by supporting nonprofits that benefit at-risk and underserved youth.

We believe that through the giving of our time, treasure, and talent we can make a lasting impact in San Diego.

We are honored to have partnered with Pro Kids since its inception in 1994, and support Ernie Wright's innovative vision of promoting character development, life skills, and values to our local youth through education and the game of golf.

CENTURYCLUBSD.ORG

The Sentry debuts at Torrey Pines this coming January. Through world-class golf, premium hospitality, and meaningful conversation, an environment is created where authentic relationships flourish, lasting connections are built, and memorable experiences reflect the spirit of collaboration and community that define this event.

Most see an engineer.
We see a community builder.

ENGINEERING POSSIBILITIES.

Hill International: Delivering the Infrastructure of Change

For 50 years, Hill International's team of industry-leading advisory, program, project, and construction managers professionals have collaborated with public agencies and community stakeholders around the world to deliver the infrastructure of change. Whether our clients are focused on enhancing mobility, boosting economic opportunity, building sustainable energy infrastructure, or increasing healthcare, educational, or housing capacity, our work transforms the communities we serve and helps create environments where the next generation can thrive.

However, we know that it takes more than infrastructure to build strong communities. It takes organizations dedicated to supporting the people that live, work, and play there. **That's why we're proud to sponsor Pro Kids, helping them create opportunities for youth and drive change across San Diego.**

www.hillintl.com | 1-800-283-4088

Get to Know... **Alex C.**

My name is Alexander C. My relationship with Pro Kids has been a supportive, beloved community where I feel safe and can be myself. I started Pro Kids in third grade at the age of seven, and for the past eight years, I have been part of a wonderful community that has helped shape who I am as a person. During those years, I participated in golf and Pro Kids isn't just a community, it's more like a family, and it makes me proud to be part of something that always encourages people to try new things.

Growing up, I wasn't a social person. Most of the time, I was that quiet kid trying not to be noticed at all. That changed once I started Pro Kids. Everyone was so welcoming, and every time, a coach or staff member would try to start a conversation with me. Because of that, I slowly became more social and grew as a person.

One specific moment that sticks with me the most happened during Pro Kids' College Road Trip, a yearly tradition where students visit universities together. After we finished touring schools, we stopped at a Topgolf location to hang out and play golf. What made this memory stick with me so much was realizing that even though not everyone was from the same Pro Kids location, we were all still part of the same Pro Kids community. I got to meet new people, try new things, and had a great time on that road trip.

I've realized my role at Pro Kids has changed over time. At first, I was the one being taught how to play golf. But over the years, I've learned so much that this summer I volunteered to help kids in the summer program and teach them golf myself. Pro Kids has also played a role in guiding me through difficult times growing up, and even now, they continue to give me advice and help me become more independent. But I think the most important thing this community taught me was how to treat others with respect, especially the coaches and staff, who have always been supportive of me.

I will always be grateful for being part of Pro Kids and for the amazing opportunities I had growing up. Now that I'm getting ready to graduate, I know Pro Kids will always have a place in my heart. None of this would have been possible without the financial aid Pro Kids provided, it's what allowed me to be part of this community and take part in all the special events throughout the year. Finally, I hope Pro Kids continues to grow. In the near future, I'd love to see more locations open up. But more personally, I want other kids to have the chance to experience the same amazing journey that Pro Kids gave me.

Highlights & Looking Ahead

As summer wraps up, our kids are heading back to school, bringing the momentum from an incredible season of growth right into the classroom. Over the past few months, our members took full advantage of every opportunity, from playing historic courses on our Monterey Golf Trip to touring campuses across California on our College Road Trip. Our students also represented Pro Kids on the national stage through several First Tee opportunities: Kendia and Liana attended the Game Changers Academy, Luke qualified for the PURE Insurance Championship for this September, and Kalia is participating in the Drive Your Future Academy in October.

On top of that, we are proud to be supporting 13 incoming freshman through our scholarship program, providing a total of 41 scholars in this cohort with the financial assistance and mentorship they need as they head off to college. We are continuing to guide our current high school members as well. This fall, we have tours planned to San Diego State University, University of San Diego, Cal State University San Marcos, and University of California San Diego, so our high schoolers may visualize their future opportunities.

With all of our members returning to school, our learning centers in City Heights and Oceanside are back in full swing with students coming in for homework help, tutoring, and college prep. We are excited to be supporting our students through these resources and are looking forward to guiding them throughout this next 2026–2027 school year. We are already eagerly awaiting our Annual Holiday Parties at both of our City Heights and Oceanside Campus's, where we'll get to celebrate our cherished holidays together with our Pro Kids family.

Our community outreach hit major milestones earlier this year. Through partnerships with Price Philanthropies and Callaway, we helped Hoover High School reinstate its men's golf team and establish its first women's golf team in over 70 years! To ensure these student-athletes thrive, we are providing them with uniforms, equipment, and transportation to and from their tournaments.

With four months left in the year, we are so excited for everything we can accomplish together. Thank you for continuing to stand alongside our kids and our mission!

The mission of Pro Kids, First Tee – San Diego is to challenge underserved youth to excel in life by promoting character development, life skills, and values through education and the game of golf.

Why Your Support Matters

At Pro Kids, we believe every child deserves access to transformative opportunities. With support from donors like you, we are able to offer golf instruction, academic enrichment, and scholarships to all youth, no matter their financial background. Each of these programs allows youth from all backgrounds to learn, grow, and thrive.

Your Impact as a Donor

- \$250: Helps fund Learning Center activities, STEM workshops, and field trips that bring our character education lessons to life.
- \$500: Provides transportation, meals, and materials for one of our monthly college visits for high school students
- \$1,000: Covers one full-year membership for a Pro Kids youth

How to Get Involved

- **Donate:** Provide financial support and ensure equal access to golf, academic support, and leadership programs.
- **Volunteer:** Share your time and skills by mentoring youth, assisting with academic support, or helping at community events.
- **Corporate Partnerships:** Engage your company through event sponsorships, employee volunteer programs, and matching gift opportunities.
- **Attend Events:** Experience the impact firsthand by joining exclusive donor receptions, golf outings, and our annual gala.
- **Planned Giving:** Ensure a lasting legacy by making ongoing donations through our Legacy Donation program.
